Dark Purple Line=Your color choice card stock (border for Layer #2)  
Black Line=Your color choice card stock (swirl #1 for Layer #1)  
Blue Line=Your color choice card stock (swirl #2 for Layer #1)  
Red Line=Your color choice card stock (flower for Layer #1)  
Turquoise Line=Your color choice card stock (flower center for Layer #1)  
Grey Line=Chipboard (or cereal box)

1. Put chipboard (or cereal box) on mat (secure with painters tape if mat is not sticky enough).
2. Select gray line in cutting panel and Chipboard in media then Cut Project.
3. Put paper on mat.
4. Select appropriate line in cutting panel and select correct media type, then Cut Project.
5. Repeat #3 and #4 until all pieces are cut out.

**Assembly Instructions (use a liquid adhesive, be sure and get it edge to edge, so the paper doesn't lift)**

1. Glue tree stumps to chipboard.
2. Glue tree pieces to chipboard.
3. Glue stars to chipboard.
4. Ink or Chalk as desired.
5. Punch hole in top of all pieces and put on binder ring.
6. Add ribbon to binding.
7. Add embellishment pieces.
8. Add photos and memories.
